A Letter to ZBOM's Partners

Dear partners,

On behalf of the Board of Directors of ZBOM Collection Co., Ltd., I would like to extend our warmest greetings to you and thank you for taking the time to read this letter.

In 1998, ZBOM was founded. Since then, we have been committed to providing one-stop home solutions for consumers and have become a trustworthy brand. As a mid to high-end home furnishing brand, we are guided by the brand concept of "Understanding Life Better." We focus on not only product quality and design aesthetics but also user experience and service quality. In the fast-paced times we live in, what consumers need about home furnishings is no longer just about assembling and purchasing products. More and more consumers are inclined to choose one-stop home solutions which represent an emerging and valuable investment opportunity. We look forward to discussing with you how we can enrich and bring to life this concept to provide clients with more comprehensive and convenient home furnishing services.

As the Chairman of ZBOM, I'm well aware of the importance of partners to the long-term development of our company. Thus, we have placed a lot of emphasis on establishing a complementary relationship with you. We always uphold a sincere, professional, and responsible attitude toward cooperation, and we are willing to listen to your needs and suggestions, explore business opportunities together with you, and create a win-win partnership. By doing so, we can ensure that the interests of clients and partners are fully safeguarded. We firmly believe that your professionalism, innovation, and pursuit of quality will inject new vigor into our collaboration and help bring a brighter future.

Our vision is to become a world-leading home furnishing enterprise and make people's beautiful imaginations of homes come true by offering high-quality furniture products and services. We look forward to working together with you to turn this vision into reality through constructive action.

If you have any suggestions or expectations during our cooperation, we are ready to provide support and assistance at any time. We believe that through open communication and close cooperation, we can better understand each other and grow together.

We sincerely look forward to working closely with you in the future and overcoming challenges and succeeding together! Best regards.

BRAND INTRODUCTION

ZBOM HOME

A mid to high-end home furnishing brand that understands life better

ZBOM HOME Collection Co., Ltd. was established in 1998, focusing on the research and development, production, and sales of whole house customized home furnishings.

Currently, we possess 7 large manufacturing bases worldwide. ZBOM is a company dedicated to providing global consumers with one-stop home solutions. Guided by the brand concept of "Understanding Life Better" and relying on customized design and services, we provide comprehensive home solutions from kitchens to entire homes for hundreds of millions of families worldwide.

COMPANY INTRODUCTION

Global strategic cooperation

ZBOM is an important strategic partner of multiple real estate developers, with products sold globally and exported to countries and regions in Australia, North America, Southeast Asia, and the Middle East. It is a high-quality supplier of international five-star hotels such as The Ritz-Carlton and Rosewood Hotels.

Global retail development

At the same time, we have established brand concept stores in over a dozen countries and regions including Singapore, Thailand, Cambodia, the Philippines, Myanmar, Maldives, Malaysia, and Indonesia to serve consumers worldwide.

ZBOM GLOBAL SALES AND SERVICE NETWORK

As of 2024, ZBOM has over 5,000 showrooms worldwide, with a professional team of over 20,000 people, providing clients with a complete customized service plan that integrates whole house design, installation, and after-sales.

Based on advantages in technology and scale and a complete market sales network, our comprehensive strength has firmly held a leading position in the customized home furnishing industry.

FACTORY INTRODUCTION

Intelligent production lines and global customization capabilities

ZBOM takes pride in its advanced intelligent production lines, which not only hold a leading position internationally but also serve as the cornerstone of our global customization capabilities. This ensures that we can quickly respond to global personalized needs while maintaining cost advantages.

8 Intelligent manufacturing bases

Annual output: \$1,000,000,000

Factory area (ZBOM Headquarters): 77,172,578 ft²

Factory area (ZBOM Thailand): 260,000 ft².

Flexible customization

With advanced intelligent production lines, we adapt to various customization needs, including size, color, and design elements, and ensure efficient production without affecting product

Efficient production

Automated processes improve production efficiency, ensure product quality, and meet the high standards of ZBOM.

SUPPLY CHAIN INTRODUCTION

A leading platform

ZBOM actively develops an informationized operation platform based on the ZBOM Furnishing Cloud Industrial Internet Platform, opens industry resources such as franchisees, suppliers, design studios, real estate developers, scientific research institutions, and customized home furnishing factories, and builds an industry ecosystem characterized by "online-offline integration and intra-and extra-industry coordination."

Official certification

ZBOM Furnishing Cloud Industrial Internet Platform was awarded the "National Industrial Internet Pilot Demonstration Project", the title of Industrial Internet Pilot Demonstration Enterprise, and the Key Industrial Internet Platform of Anhui Province, and also passed the FSC Forest Certification and fulfilled sustainable development.

Global supply chain

Localized production:

Establishing localized production bases in different countries to reduce transportation costs, improve production efficiency, and meet immediate local market demands.

International procurement:

Establishing cooperative relationships with top global brands from Europe, America, Australia, Japan, South Korea, and others. By fully integrating international supply chain resources and carefully selecting high-quality raw materials and components worldwide, we collaborate closely with excellent partners to achieve excellent quality.

Cost advantage:

Ensuring high-quality raw materials while reducing procurement costs and maintaining cost advantages.

ZBOM SUPPORTS

1.Brand Value

ZBOM is committed to providing one-stop home solution for millions of households, creating an ideal home environment for each household, and making life better.

2.German Engineering

For decades, "German Engineering" has been synonymous with "Guaranteed Satisfaction", as world-class standards have been established in Germany's manufacturing culture. At ZBOM, all of our furniture products are manufactured with German HOMAG automatic intelligent CNC machines in our 3,700,000 square feet factory. In other words, our furniture products are satisfaction guaranteed.

3.Superior Hardware

For most products, durability is likely what potential clients are concerned about most, and hardware is the most easily worn part of any furniture. To ensure durability, ZBOM only uses hardware from the industry's best manufacturers such as Blum and Hettich.

4.Design Support

ZBOM has been in the furniture manufacturing industry for over 20 years and fully understands the frustration when issues arise between the design side and the sales side of the business. Our catalogues are fully compatible with the 20/20 design software and we have our own team of experienced designers who can provide you with necessary design support.

5.After-sales Support

As mentioned above, an advantage of working with a world-class furniture manufacturer is brand value. But that is definitely not the only advantage. Here at ZBOM, we can assure you that we have the capacity and resources to provide support for your business every step of the way, including after-sales issues.

6.Pioneer Advantage

Being one of our pioneer agents will certainly put you in a special position with many advantages. Most importantly, you will be able to share the initial success, market share, and profits with less competition.
