The image features a soft, misty landscape with rolling hills and mountains in shades of blue and grey. In the center, a large, thin blue circle is superimposed over the scene. Inside this circle, the Chinese characters '凡溪' (Fānxī) are written vertically in a dark blue, elegant serif font. The circle is partially open on the left and right sides, where stylized, layered lines extend outwards, resembling traditional Chinese decorative motifs or clouds. In the upper right corner, outside the circle, several birds are shown in flight against the light sky.
