

ALY HOME ROLLER SHADES

ALY HOME Roller Shades Collection offers an easy-to-use shading solutions with a modern flair. In this collection, you'll find sophisticated colors and high-end roller fabric textures. All fabrics in this collection can be made as roller shades.

The collection offers over 400 patterns, including sheer, light filtering, blackout, and printed fabrics. These fabrics feature stylish designs, rich textures, and classic patterns. There are 1-4 levels of opacity. Level 1: 1%-35%, Level 2: 36%-54%, Level 3: 55%-99%, Level 4: 100%. Sunscreens are available in 1%, 3%, 5%, 6%, 8% openness options.

This collection makes child safety simple. Cordless systems or wand and remote motorized control options. The collection's top treatments include arc or square cassettes and can be wrapped to fabrics. Choose us, enjoy peace of mind, and we make every effort to ensure that our customers are 100% satisfied.

ADD:23 Ruhu West Road, Simen Town, Yuyao City, Ningbo City, Zhejiang Province, China

CASSETTE OPTIONS

COLORS

White

Bracket

Bracket Colors

Antique Brass

Black Satin

Satin Nickel

MULTIPLE SHADES IN ONE CASSETTE (2-ON-1)

CONTINUOUS CORD LOOP & MOTORIZED

Available with both arc and square cassettes in either 3" or 4" size.

Controls will be on the outside end of each shade.

Center gap of 0.98" between shades.

Cassette inserts or wrap will be made to the maximum width of the fabric. Wider inserts must be spliced or railroaded.

IoT Connectivity

Seamlessly Integrating Your Smart Home

The Connector platform is designed to work seamlessly with numerous leading smart home platforms, including Amazon Alexa, Google Home, IFTTT, and Samsung SmartThings. Whether you have Wi-Fi-enabled window-covering motors/receivers or traditional ones (when used in conjunction with the Connector bridge), after a quick and easy setup, you can control them using the apps or smart home speakers associated with the mentioned platforms.

This integration allows your window coverings to harmonize effortlessly with other types of smart home devices in your home via cloud-to-cloud, providing you with endless possibilities for a truly connected and convenient living experience.
