YOUR CHOICE LONGXIN FOUNTAIN

Longxin Fountain Factory was founded in 2008. We have more than 15 years of experience in the fountain industry. We specialize in the design and construction of musical fountain water dance show, laser show, fire dance show, theme light show, water curtain movie and other fountain projects. Our company is a comprehensive fountain enterprise integrating fountain design, construction, product development and project maintenance.

Whether in the ocean, lakes, rivers, pools, or in the air, indoor, building periphery, we have rich experience and successful solutions. We have done super-large musical fountain projects, but also small water feature projects. We have faced construction difficulties, tight schedule, floods, typhoons and other difficulties, but we always adhere to the "heart to create a better life" faith, finishing all the projects on time with high quality.

We have built hundreds of fountain projects both domestic and overseas which favored by more than 30 countries and regions such as North America, South America, North Africa, the Middle East, Southeast Asia.
